

Prince of the Blue, Fair Haven needs you!

Please honor us with your assistance as a Blue Knight at the
Fair Haven Fairy Tale Ball
Sunday, October 14, 2018 11a - 3p Halls of St. George

Fairy Tales are not reality, Officers are our most valuable tool in the community to protect us against the nightmare of sexual violence.

Blue Knights are sure to charm the Princesses and guests as they assist by opening doors, providing escorts to tables, dancing with the little Princesses, and being an example of a Gentle Man.

Make our dream come true is having at least one representative from each local police department stand in the Royal Ranks as a Blue Knight for the little Princesses!

Officers interested, submit your department issued photo, title/rank, and any department/ community programs you participate in to shana@asafeport.org before 3:00pm on August 24.

Officers attending will be entered online in a social media *Prince of the Blue* voting poll prior to the Ball. The public will vote to select the *Prince of the Blue*. The chosen Officer will be notified on September 14. Voting results will be shared on the Fair Haven website and social media; inviting the community to witness the *Prince of the Blue's* coronation by Queen Kelly of Fair Haven. The Prince will be gifted a ticket to the event and a \$100 Visa gift card.

Please consider partnering with Fair Haven at the Fairy Tale Ball!

The deadline for attending Officers to purchase discounted tickets at \$32 is 3pm on October 3.

Please contact amee@asafeport.org to purchase tickets.
