

... the opening to every great fairy tale. The story usually begins with an ordinary day in a beautiful land far, far away. As quickly as the story unfolds, tragedy strikes which renders a life forever changed. A great sadness overtakes the kingdom and the people lose all hope. Until...

What makes the fairy tale inspiring is not the tragedy but the fortitude it takes to rise above.

Fair Haven is Lake County's Rape Crisis Center. Fairy tales are not our specialty but HOPE is! Our annual ball honors all survivors of sexual violence who faced tragedy and chose to write a whole new story through healing & recovery. Proceeds from our event will provide direct client services to survivors & support our school education/prevention programs within our community. We believe that education and empowerment are the "magical potion" need to end sexual assault.

Girls and Boys, Moms and Dads are all welcomed to attend. Costumes are encouraged (but not required). We will have food, music, dancing, games, photo booth, face painting, balloon artists & a fairy-tale-themed silent auction. We will have our own "Fairy Dust Salon" open throughout the afternoon offering: up do's, tiaras and a sprinkle of fairy dust. Princesses from our most beloved fairy tales will also be in attendance.

We are searching all the land looking for local community sponsors to make this special event a reality! When local businesses support local programs, something magical happens! There are many ways to participate as you will see on the following pages. Feel free to contact us with any questions.
